

Easy to Find.

If you or a homeowner is looking for technical information about your Haas Door product, our Door Finder® will provide all you need to know! To use the Door Finder®, scan the QR code on our section labels or enter the serial number on a previous label at i.haasdoor.com.

Door Finder is designed to be used with any QR code reader app on a mobile device, but can also be accessed from a desktop. By scanning the QR code on a Haas Door label, the user can quickly obtain door & model information, as well as springing information, door weight and other technical details. Door, spring, track and windload drawings can also be viewed from Door Finder.
